

List of Medical Institutions in Tokushima City Distributing the 1st and 2nd Doses of the COVID-19 Vaccine

- ※ Please book your appointment directly with the medical institution. Internet and call center reservations are not available.
- ※ Please note that reservation time slots vary depending on the institution. For example, even if an institution is indicated to be available on Saturdays, it may only be during the morning or afternoon.
- ※ The first two doses of the vaccine are reserved as a set. If, for whatever reason, you have received the 1st dose but have yet to receive the 2nd dose, please contact the call center at 088-621-5495.
